Note: You will need a program that reads .rar files, like Winrar, in order to view some of these files.

### **English Released Manga - Court Records**

I discovered the Ace Attorney DS games a few years ago and I became addicted to them very quickly. I love the quirky characters, the humour and the mystery (although I guessed the real killer very early on in this one). When I discovered that there is Ace Attorney manga I had to read it! And I found it to be very similar to the game.
