We offer jobs for students or young professionals in the beginning of their career - with us you can work as a consultant on specific client assignments or you can become employed directly by one of our customer companies through our recruitment service.

Academic Work

Automaticity / Automaticity / is the ability to do things without occupying the mind with the low-level details required, allowing it to become an automatic response pattern or habit. It is usually the result of learning, repetition, and practice. Examples of tasks carried out by 'muscle memory' often involve some degree of automaticity. Examples of automaticity are common ...
