APRN Licensing & Certification - American Psychiatric

A psychologist studies normal and abnormal mental states, cognitive, emotional, and social processes and behavior by observing, interpreting, and recording how individuals relate to one another and to their environments. To become a psychologist, a person often completes a graduate university degree in psychology, but in most jurisdictions, members of other behavioral professions (such as ...

Psychologist - Wikipedia

Course Description. CEU course for nursing and other health professions. This 5-hour behavioral health continuing education course covers types of crises, the stages of crisis intervention, and ethical and legal issues.

Mental Health Crisis Intervention | Behavioral Health CEU

Almost everyone has days when they feel discouraged, disheartened, and a bit grouchy. Usually, these times of reduced energy and irritability last only a short time and soon vitality and enthusiasm for life returns. During these low periods, people may say they feel "depressed" or "down in the dumps," yet rarely are they clinically depressed or grieving a significant loss.
