In academia and librarianship, proceedings are the acts and happenings of an academic field, a learned society, or an academic conference. For example, the title of the Acta Crystallographica journals is New Latin for "Proceedings in Crystallography"; the Proceedings of the National Academy of Sciences of the United States of America is the main journal of that academy; and conference ...

Chronic rhinosinusitis (CRS) is defined as persistent symptomatic inflammation of the nasal and sinus mucosa. Although insights into the pathophysiology of CRS have largely expanded over the last 2 decades, the exact etiology is still unknown and is likely due to multiple host and environmental factors. Treatments are aimed at reducing mucosal inflammation, controlling infection, and restoring ...
