In the castle-like San Francisco Armory, the Internet porn production company Kink.com hosts live-streamed sex parties where unpaid "guests" are invited to perform S&M scenes for the camera. What happens when performances that once commanded a fee are done for free—and even the producers regard them not as work, but as sexual expression?

This book is about the interconnections of religion and law in East Central European legal culture—or more precisely cultures. It delves into the role of religion in legal thought, in political constitutions, legal practice and performance, as well as in understandings of justice from the 16th century to 1939.
