

### **public art in pdf**

Public art is the both the manifestation of the ideals of a democratic society and also the site of profound contention. As a result, the social and political agendas of individuals and groups often play a role in manipulating the site and content of public art to align with specific moral or aesthetic values.

### **Public Art: Linking Form, - University of Washington**

Public Art can take many forms and, in some cases, including Socially-engaged or PARTICIPATORY ART initiatives, it may take no physical form at all, such as a conversation, a performance or an intervention. Public Art can use any medium and may be permanent, temporary or transient. Public Art can be many things:
