The Problem. Some professionals such as litigators, journalists and even doctors, are taught to ask questions as part of their training. But few executives think about questioning as a skill that ...

How to Ask Great Questions - hbr.org

A question is an utterance which typically functions as a request for information. Questions can thus be understood as a kind of illocutionary act in the field of pragmatics or as special kinds of propositions in frameworks of formal semantics such as alternative semantics or inquisitive semantics. The information requested is expected to be provided in the form of an answer.
