Performing a SCCM 2012 R2 installation is not a walk in the park. The product itself can be complex for inexperienced administrators. Thereâ€™s already tons of SCCM 2012 R2 Installation Guide available, written by experienced blogger and MVPs but I think that very few gives the whole picture from the start to the last component.

Step-by-Step SCCM 2012 R2 Installation Guide

Internet fraud is a type of fraud or deception which makes use of the Internet and could involve hiding of information or providing incorrect information for the purpose tricking victims out of money, property, and inheritance. Internet fraud is not considered a single, distinctive crime but covers a range of illegal and illicit actions that are committed in cyberspace.
