Sports journalism is a form of writing that reports on sporting topics and competitions.. Sports journalism is the essential element of many news media organizations. While the sports department (along with entertainment news) within some newspapers has been mockingly called the toy department, because sports journalists do not concern themselves with the 'serious' topics covered by the news ...

Behavioral research outside of sport has managed to categorize what leaders do, into two areas; consideration and initiating structure (see Weinberg & Gould, 2003). Consideration reflects the relationships between the leader and followers to involve factors such as friendship, mutual trust, warmth, building rapport and communication.

### **Athletic Insight - A review of leadership in sport**

Abstract. The notion of paying college football players has been an ongoing debate since the early 1900s. With current television revenue resulting from NCAA football bowl games and March Madness in basketball, there is now a clamoring for compensating both football and basketball players beyond that of an athletic scholarship.
