Science fiction (often shortened to Sci-Fi or SF) is a genre of speculative fiction, typically dealing with imaginative and futuristic concepts such as advanced science and technology, space exploration, time travel, and extraterrestrial life. Science fiction often explores the potential consequences of scientific innovations, and has been called a "literature of ideas."

Science fiction fandom or SF fandom is a community or fandom of people interested in science fiction in contact with one another based upon that interest. SF fandom has a life of its own, but not much in the way of formal organization (although clubs such as the Futurians (1937–1945) are a recognized example of organized fandom).. Most often called simply "fandom" within the community, it ...
