Download this Cisco Switch Commands Cheat Sheet as PDF file to have it as reference with you in the field. The most important CLI commands are included that will be helpful for most configurations.

Cisco CLI Switch Commands Cheat Sheet (PDF)

Operating systems. In most cases, the technology for the Catalyst Switch was developed separately from Cisco's router technology. The Catalyst switches originally ran software called CatOS rather than the more widely known Cisco IOS software used by routers. However, this has changed as the product lines have merged closer together.
