A money order is a payment order for a pre-specified amount of money. As it is required that the funds be prepaid for the amount shown on it, it is a more trusted method of payment than a check. The money order system was established by a private firm in Great Britain in 1792, and was expensive and not very successful.

Etymology [] (Can this etymology be sourced?) The expression refers to times before the Reformation when Church taxes had to be paid from St. Paul's church in London and to St. Peter's church in Rome; originally it referred to neglecting the Peter tax in order to have money to pay the Paul tax. This etymology is disputed. Verb []. rob Peter to pay Paul (third-person singular simple present robs ...

Most of us are aware that statements are reliable sources of information. Statements vary from being accounts of people about certain topics (as in statement of purpose), to being used as an evidence in the court of law (as in witness statements). These, among other things prove that statements are useful sources of facts and information.
