Gameplay. Corpse Party is a linear horror monster adventure game with some role-playing elements. It is played in a third-person view, top-down perspective. Players are tasked with exploring the haunted school grounds for a means of escape. To fulfill this task, characters must interact with the environment and surroundings such as picking up objects, talking to other characters, and inspecting ...

Oxford University's Mindgrowing Gardens, Libraries & Museums

Presentations look across the American Memory collections to investigate curricular themes. They include historical background, helping to tell the story behind the theme. Activities offer an interactive, "hands on" experience and focus on a specific topic, rather than broad themes. They require teacher direction, but invite students to participate.
