The Health Literacy Tool Shed is an online database of health literacy measures. The site contains information about measures, including their psychometric properties, based on a review of the peer-reviewed literature.

Health Literacy Tool Shed - Boston University

Small and medium-sized enterprises (SMEs) or small and medium-sized businesses (SMBs) are businesses whose personnel numbers fall below certain limits. The abbreviation "SME" is used by international organizations such as the World Bank, the United Nations and the World Trade Organization (WTO).. SMEs outnumber large companies by a wide margin and also employ many more people.

Small and medium-sized enterprises - Wikipedia

Taxes must be paid as you earn or receive income during the year, either through withholding or estimated tax payments. If the amount of income tax withheld from your salary or pension is not enough, or if you receive income such as interest, dividends, alimony, self-employment income, capital gains, prizes and awards, you may have to make estimated tax payments.

Estimated Taxes | Internal Revenue Service

You must figure your taxable income on the basis of a tax year. A "tax year" is an annual accounting period for keeping records and reporting income and expenses. An annual accounting period does not include a short tax year. The tax years you can use are: Calendar year - 12 consecutive months ...
