Governor Brown signed SB 277 eliminating parents' religious rights to refuse vaccines for their children. There now exists the the absolute requirement that all California public and private school children be immunized but yet there is no such state law mandating vaccination for public or private school teachers, school food service workers, janitors or other school staff.

Dialogue tags in fiction "she said, he asked" are simply attributions; they let the reader know who is speaking.. While action can also be used for attribution "Mark reached to tug Melba's curl." so soft. "this article is specifically about the use and misuse of dialogue tags. Dialogue tags don't have many uses other than keeping characters straight for the reader.
