Spurs And Lace (2014) About book: When it comes to descriptors, this author's writing is lacking. Whether this is from a lack of real life experience or what doesn't matter, but that's the way it comes off. Here's a helpful hint-if you're going to write about freezing in a blizzard, go freeze in a blizzard so you get an actual feel for the cold and then you can really paint a picture of what ...
