1. Introduction. Research on teachers' knowledge is guided by the idea that teachers' thought processes resonate with their teaching practice, and that developing one's teaching is enhanced by developing one's thinking (Clark & Peterson, 1986; Gitomer & Zisk, 2015; Kennedy, 2016). Empirical findings suggest links between a teacher's instructional knowledge and the quality of classroom ...

CALL resources. The main aim of the ICT4LT website is to provide a collection of ICT training materials for teachers of foreign languages (see below). It is not intended to be a collection of CALL resources for use by language teachers in the classroom for teaching a specific language or by individual learners studying a language independently.

This list consists of many notable people who identify as transgender. The individual listings note the subject's nationality and main occupation. In many non-Western and ancient or medieval societies, transgender people are seen as a different gender in itself, and there is a separate category for them, one that is different from the binary 'men' and 'women'. They are often described ...

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date youâ€™re citing.
