

swedish details pdf

The Swedish Vallhund, also known as the Västgötaspets and Swedish cow dog, is a breed of dog native to Sweden. The breed's name, Vallhund, when translated into English, means herding dog, as the Swedish Vallhund was originally bred as a drover and herder of cows over 1,000 years ago. In 1942, the dog came close to extinction, but careful breeding and publicity by Swedish national Bjorn von ...

The Swedish Army Museum (Swedish: Armémuseum) is a museum of military history located in the district of Årstermalm in Stockholm. It reopened in 2002 after a long period of closure, and was awarded the title of the best museum of Stockholm in 2005. Its displays illustrate the military history of Sweden, including its modern policy of neutrality, and of the Swedish Army

Elocta is available as a powder and solvent used to make a solution for injection. The injection is given into a vein over several minutes. The dose and frequency of the injections depend on whether Elocta is used to treat or prevent bleeding, the severity of the patient's factor VIII deficiency, the extent and location of the bleeding and the patient's condition and bodyweight.
