Swimming (History Of Sports) By Martha Capwell Fox

o Medley which means swimmers or relay teams swim a combination of backstroke, breaststroke, butterfly and freestyle. i,- In most races swimmers begin by diving into the water from starting blocks. i,- In the backstroke swimmers begin the race in the water. i,- They swim down their lanes to the end of the pool and touch it.

English for THE GAMES Swimming

A brief history of Swimming. Swimming is an ancient activity that has taken place since both water and humans were on the earth. Prehistoric drawings from the southwestern part of Egypt show original documentation of people swimming. The images seem to show the dog paddle or breaststroke, but these may have been more ritualistic than anything.

The History of Swimming – From Ancient Times to Modern

Swimming emerged as a competitive sport in the early 1800s in England. In 1828, the first indoor swimming pool, St George's Baths, was opened to the public. [7] By 1837, the National Swimming Society was holding regular swimming competitions in six artificial swimming pools, built around London .

History of swimming - Wikipedia

Olympic history. Women's swimming became Olympic in 1912 at the Stockholm Games. Since then, it has been part of every edition of the Games. The men's and women's programmes are almost identical, as they contain the same number of events, with only one difference: the freestyle distance is 800 metres for women and 1,500 metres for men.
