teaching minorities more effectively pdf

Teaching Tolerance provides free resources to educators—teachers, administrators, counselors and other practitioners—who work with children from kindergarten through high school. Educators use our materials to supplement the curriculum, to inform their practices, and to create civil and inclusive school communities where children are respected, valued and welcome participants.

A model minority is a demographic group (whether based on ethnicity, race or religion) whose members are perceived to achieve a higher degree of socioeconomic success than the population average. This success is typically measured relatively by income, education, low criminality and high family/marital stability.. The concept is controversial, as it has historically been used to suggest there ...

Its life - Learning for Teaching - Equality and Diversity 3

A tendency toward the comfort of homogeneity also results in committees not hiring candidates that fit their own model. Moving away from being satisfied with candidates who are most similar to existing faculty to considering candidates that are different involves

Strategies for Successfully Recruiting a Diverse Faculty

White flight is a term that originated in the United States, starting in the 1950s and 1960s, and applied to the large-scale migration of people of various European ancestries from racially mixed urban regions to more racially homogeneous suburban or exurban regions. The term has more recently been applied to other migrations by whites, from older, inner suburbs to rural areas, as well as from ...
