academic success, performance and personal motivation. They do not usually work with actual academic content but strive to refine the student's academic skills, time management, organization, study skills and self-advocacy to ensure academic success and to encourage a smooth transition into college.

### **The Academic Coach - reachga.org**

Coaches at the Academic Success Center are required to have a bachelor's degree and two years of experience in advising, recruiting, teaching, coaching, student affairs, or other related areas or a master's degree with no experience. Many coaches have advanced degrees, as well as years of experience in related fields.

times academic coaching looks a lot like tutoring. Our academic coaches are more than willing to work with students to help them achieve success in the classroom, however, they focus more on the game plan for success and less on the specific content of the course. Finally, academic coaching may look like counseling as students become comfortable with their coach.

### **ACADEMIC - memphis.edu**

of "academic coaching" refers to a relationship between teachers and students that is proactive, responsive to student learning outcomes, and committed to student success. The teacher/learner relationship becomes less like a formal instructor and more like a coach.
