The American Law Institute (ALI) was established in 1923 to promote the clarification and simplification of United States common law and its adaptation to changing social needs. Members of ALI include law professors, attorneys, judges and other professionals in the legal industry. ALI writes documents known as "treatises", which are summaries of state common law (legal principles that come out ...

American Law Institute - Wikipedia

In American law, the American Law Reports are a resource used by American lawyers to find a variety of sources relating to specific legal rules, doctrines, or principles. It has been published since 1919, originally by Lawyers Cooperative Publishing, and currently by West (a business unit of Thomson Reuters) and remains an important tool for legal research.
