### **the arrl extra class pdf**

In the US, the Federal Communications Commission (FCC) offers three Amateur Radio license levels or license classes; Technician class license, General class license and Extra class license. Per FCC Rule 97.523 only one question pool may exist for each license examination level. Each question pool must contain at least 10 times the number of questions required for a single examination.

License Grants & Exams. Operation of an amateur station requires an amateur operator license grant from the FCC. Before receiving a license grant, you must pass an examination administered by a team of volunteer examiners (VEs). The VEs determine the license operator class for which you are qualified through the testing of your skills and abilities in operating an amateur station.

The WARC bands are three portions of the shortwave radio spectrum used by licensed and/or certified

amateur radio operators. They consist of 30 meters (10.100â€“10.150 MHz), 17 meters (18.068â€“18.168 MHz) and 12 meters (24.890â€“24.990 MHz). They were named after the World Administrative Radio Conference, which in 1979 created a worldwide allocation of these bands for amateur use.
