Peaceful Parenting puts the focus on identifying the underlying feelings and unmet needs relating to out of balance behaviour. When we focus solely on the behaviour, we can miss the opportunity to tune in to and hence support our child on an emotional level. This chart is a good one to print out as a quick reference to help parents or teachers tune in to the needs that may be driving certain ...

1. Introduction. Despite significant attention given to animal diseases in the last half-century, our understanding of disease processes, and how to manage them at the livestock-wildlife interface, remains limited (Rhyan and Spraker, 2010). The increasing role of wildlife in the emergence of livestock and human diseases is due to multiple changes occurring within wildlife, livestock, and ...
