GREEK CREATION - The Big Myth

Creationism is the religious belief that the universe and life originated "from specific acts of divine creation", as opposed to through natural processes, such as evolution.. Creationism covers a spectrum of views including evolutionary creationism, [citation needed] but the term is commonly used for literal creationists who reject various aspects of science, and instead promote ...

Magic Items and Detect Magic. When detect magic identifies a magic item’s school of magic, this information refers to the school of the spell placed within the potion, scroll, or wand, or the prerequisite given for the item. The description of each item provides its aura strength and the school to which it belongs. If more than one spell is given as a prerequisite, use the highest-level spell.
