Wealth is the abundance of valuable financial assets or physical possessions which can be converted into a form that can be used for transactions. This includes the core meaning as held in the originating old English word weal, which is from an Indo-European word stem. A community, region or country that possesses an abundance of such possessions or resources to the benefit of the common good ...

A wealth tax (also called a capital tax or equity tax) is a levy on the total value of personal assets, including: bank deposits, real estate, assets in insurance and pension plans, ownership of unincorporated businesses, financial securities, and personal trusts. Typically liabilities (primarily mortgages and other loans) are

deducted, hence it is sometimes called a net wealth tax
