DEFINITION OF CRISIS. TWO attitudes are characteristic of the thoughtful persons of our time. First, there is a strong sense of crisis; second, an ominous sense of drift. In combination, these attitudes tend to produce feelings of desperation, since courage, and even strength and determination, are frustrated when people do not know what to do.

10 PREFACE Lincoln was elected to the presidency upon the issues and, largely, upon the speeches of the 1858 campaign. Although the secession crisis, as distinct from that concerning slavery in the territories, dominated the period after 1858, there is no sharp cleavage between the two. I have attempted to express herein the full meaning only of Lincoln's debate with Douglas from 1854 to 1858, yet I have not hesitated ...

the crisis is the worst since the Great Depression. In what follows we analyze in more detail the causes and consequences of the crisis as well as the need for a series of reforms in the financial system. In particular, we start discussing the causes of the crisis in Section 2 and we focus on the real estate bubble in Section 3.

### **An Overview of the Crisis: Causes, Consequences and Solutions**

The crisis has negatively affected growth and, as data gradually become available, its far-reaching after-effects are becoming more evident. A study of the impact of the crisis on economic growth in the region is needed in the way forward for CARICOM development. As such the aftermath of the crisis on the region requires detailed documentation.

The crisis of the modern world-Rene Guenon-The book is a caustic critic of the modern Occidental world. Guenon adopts a traditional approach in his writings. He claims that the Sacred tradition of the main religions are obviously from a divine source and that the fall of man represents the separation from the divine and the birth of individuality.
