A patent attorney is an attorney who has the specialized qualifications necessary for representing clients in obtaining patents and acting in all matters and procedures relating to patent law and practice, such as filing an opposition. The term is used differently in different countries, and thus may or may not require the same legal qualifications as a general legal practitioner.

My Adoption Agency is a Non Profit so They Are Good. It seems that many people want to believe that because many adoption agencies and adoption service professionals have the words â€• non-profitâ€• in their name, that they must somehow be exempt from any form of monetary corruption. While I am still hunting down the most recent report claiming the 13 billion dollars in profits in the adoption ...

The word "schizophrenia" has a scientific sound that seems to give it inherent credibility and a charisma that seems to dazzle people. In his book *Molecules of the Mind - The Brave New Science of Molecular Psychology*, University of Maryland journalism professor Jon Franklin calls schizophrenia and depression "the two classic forms of mental illness" (Dell Publishing Co., 1987, p. 119).
