I am 99% sure that the highlighting thing is not possible. About "going to" a line number, there is no concept of line number in PDF, however, goto-actions in PDF can use a destination object as target, and a destination object can specify a x,y coordinate of the destination page to be set as left-top corner in a viewer (although viewers can ignore this parameter).

Above: Influential Superman writer/artist John Byrne rather overtly invoked the character's strongly Protestant Christian background in this scene. Jonathan Kent, the father of Superboy, tells his son that he prayed for him during a recent crisis. The father and super-powered son are framed in front of a Christian church (note the cross on the tower or steeple in the background).

Excellent professor. Yes, he is sure of himself, but he is an educated educator, so I'm not sure what else one might expect? He isn't a push-over, but his class was very easy for me, simply because I came to class, paid attention and did the work, I can't see how someone having taken his Poli Sci 101 course could deem him as overly tough.
