Legal cultures are described as being temporary outcomes of interactions and occur pursuant to a challenge and response paradigm. Analyses of core legal paradigms shape the characteristics of individual and distinctive legal cultures. Comparative legal cultures are examined by a field of scholarship, which is situated at the line bordering comparative law and historical jurisprudence.

Law is a system of rules that are created and enforced through social or governmental institutions to regulate behavior. It has been defined both as "the Science of Justice" and "the Art of Justice". Law is a system that regulates and ensures that individuals or a community adhere to the will of the state.
