Modern liberalism in the United States is the dominant version of liberalism in the United States. It combines ideas of civil liberty and equality with support for social justice and a mixed economy. According to Ian Adams, all American parties are "liberal and always have been. Essentially, they espouse classical liberalism" that is, a form of democratized Whig constitutionalism, plus the free ...

A liberal education is a system or course of education suitable for the cultivation of a free (Latin: liber) human being. It is based on the medieval concept of the liberal arts or, more commonly now, the liberalism of the Age of Enlightenment. It has been described as "a philosophy of education that empowers individuals with broad knowledge and transferable skills, and a stronger sense of ...

Science and Non-Science in Liberal Education . Harvey C. Mansfield. A Ilan Bloom in his famous book *The Closing of the American Mind* (1987), drawing on Max Weber, calls the "fundamental issue" of our time "the relation between reason, or science, and the human good." I would say that in the university today the most obvious issue, reflecting directly the fundamental issue, is the ...
