LITERATURE? AN OVERVIEW When the English preacher and writer Sidney Smith asked in 1820, "In the four quarters of the globe, who reads an American book?" little did he suspect that less than two hundred years later the answer in literate quarters would be "just about everyone." Indeed, just a few years after Smith posed his inflamma-

Reviewing the Literature: A Short Guide for Research Students In brief: Reviews of previous literature in a thesis or research paper are not summaries of every article you have read, but rather an exposition of the existing knowledge and reasoning which led you to believe that what you did was worth doing in the way that you did it, written so ...

### **Reviewing the Literature: A Short Guide for Research Students**

A literature review can be just a simple summary of the sources, but it usually has an organizational pattern and combines both summary and synthesis. A summary is a recap of the important information of the source, but a synthesis is a re-organization, or a reshuffling, of that information.

### **What is a Literature Review? (and How Do I Write One?!)**

First, literature is a way to experience a way of life, a time period, a culture, an emotion, a deed, an event that you are not otherwise able, willing (as, say, in the case of murder), or capable of encountering in any other manner. Literature, then, opens doors to new and different life experiences.
