This activity reinforces concepts presented in the short film *The Making of a Theory*. Using a map of the Malay Archipelago and information about the animals found on different islands, students discover the Wallace Line: a sharp boundary that separates distinct Asian and Australian fauna.

**The Origin of Species: The Making of a Theory | HHMI**

*The Making of a Corporate Athlete*. The problem with most approaches, we believe, is that they deal with people only from the neck up, connecting high performance primarily with cognitive capacity. In recent years there has been a growing focus on the relationship between emotional intelligence and high performance.
