The More Things Change... is the second studio album by heavy metal band Machine Head, released on March 26, 1997 through Roadrunner Records. It is the band's last release to feature original lead guitarist Logan Mader, and the first to feature drummer Dave McClain. The album's title alludes to the first part of the phrase, "The more things change, the more they stay the same"; the same phrase ...

Front Line Communities. Climate change imposes heavy burdens on those living nearest to floodplains, shorelines, and polluted city centers. By demanding cuts to dangerous pollution, providing access to green jobs, and spurring economic growth for all Americans, we can begin a fair transition to the economy of the future—one powered by clean and renewable energy.

Overview. Some Things Never Change represented a deliberate return to the band's earlier sound (before Free as a Bird), using more organic recording techniques than on their previous studio album. John Helliwell recounted that "we recorded the album in a way that Supertramp never had and that was by all going into the studio together and doing it as a much more live thing."
