Prepared by the Democratic staff of the Joint Economic Committee Page 3. The pink tax applies to products across a range of categories, including children's clothing, toys and games, and personal care products. The size of the markup varies widely, and in some cases the price for men's products is higher.

The Pink Floyd Wall Experience is a live multimedia concert, paying homage to the masterpiece Pink Floyd concept album, The Wall, and the live touring productions that followed in 1980, and the more recent revision by Roger Waters. Producer/frontman Brody Dolyniuk witnessed the Waters spectacle in 2012 and left a changed man, vowing that one day he would attempt to build The Wall.

The vision was not to produce a stadium show. In fact in an effort to create the true Pink Floyd experience, it would be just the opposite. Two key factors were at the core of the plan: keep it intimate (put the legendary combination of music, sound and lights in a theatre atmosphere) and ensure the sensual attack of Pink Floyd
