Theology is the critical study of the nature of the divine. It is taught as an academic discipline, typically in universities and seminaries.. Theology is the study of deities or their scriptures in order to discover what they have revealed about themselves. It occupies itself with the unique content of analyzing the supernatural, but also especially with epistemology, and asks and seeks to ...

Problem: I don't have time to watch a lot of online videos of interviews, lectures, and sermons. I would happily listen to the audio from certain videos on my iPhone if there was an efficient way to do that. Solution: There is finally an efficient way to do that (at least with a MacBook and iPhone - I'm not sure about other devices). I love this podcast system.
