- Let me ask you this, how excited are you about your employee handbook? Fair enough. (laughs) Of course, not all employee handbooks are created equal. Many are old and out of date, something which is dangerous in an environment with constantly changing employment laws. Then there are those handbooks that are compliant, but boring at best, and they're a prime example of why HR gets a bad rep.

In The Shadows of Glories Past Jihad for Modern Science in Muslim Societies, 1850 to The Arab Spring, 1st Edition. By John W. Livingston. The title of this volume implies two things: the greatness of the scientific tradition that Muslims had lost, and the power of the West, in whose threatening shadow reformers now labored to modernize in order to defend themselves against those very powers ...
