1. Introduction. One of the defining characteristics of tourism research is the interdisciplinarity of its scope and subject matter. This feature is particularly prominent in the theme of tourism activity associated with film and television, or film tourism as it has become known, on which a growing body of knowledge has emerged over a relatively short period of time.

In the 19th century, manifest destiny was a widely held belief in the United States that its settlers were destined to expand across North America. There are three basic themes to manifest destiny: The special virtues of the American people and their institutions; The mission of the United States to redeem and remake the west in the image of agrarian America

It is a responsibility we are failing to meet. According to statistics from the U.S. Department of Education, the

gap in eighth-grade reading and math test scores between low-income students and their wealthier peers hasn't shrunk at all over the past 20 years. (The gap between poor and wealthier fourth-grade students narrowed during those two decades, but only by a tiny amount.)

His Master's Voice (original Polish title: Głos Pana) is a science fiction novel on the "message from space" theme written by Polish writer Stanisław Lem. It was first published in 1968 and translated into English by Michael Kandel in 1983. It is a densely philosophical first contact story about an effort by scientists to decode, translate and understand an extraterrestrial transmission.

The side of a ship on which it was laden (that is loaded) was called the ladeboard, but its opposite, starboard, influenced a change in pronunciation to larboard. Then, because larboard was likely to be confused with starboard because of their similarity of sound, it was generally replaced by port.

Hi Everyone, My colleague Marg introduced me to the Rosetta Primary School site this week. This Tasmanian primary school has developed some brilliant interactive activities that can be used on computers or interactive white boards. I am going to use the coin calculator in class next week but there are many more applications which you might like to use with your class.

Hi Everyone, It is 3:00 in the morning Australian time and stinking hot. I can't sleep so here I am thinking about how I should be asleep. A great opportunity to write about the Online Stopwatch program that I use in my classroom. It could just as easily be used at home to motivate kids to tidy up their room, or finish any kind of task in a set time, where there is access to a computer/laptop.
