toxic torts and product pdf

A toxic tort claim is a specific type of personal injury lawsuit in which the plaintiff claims that exposure to a chemical or dangerous substance caused the plaintiff's injury or disease.

Toxic tort - Wikipedia

A mass tort is a civil action involving numerous plaintiffs against one or a few defendants in state or federal court. The lawsuits arise out of the defendants causing numerous injuries through the same or similar act of harm, for example, a prescription drug, a medical device, a defective product, a train accident, a plane crash, pollution, or a construction disaster.
