The economic history of the United States is about characteristics of and important developments in the U.S. economy from colonial times to the present. The emphasis is on economic performance and how it was affected by new technologies, especially those that improved productivity, which is the main cause of economic growth. Also covered are the change of size in economic sectors and the ...

The American command was not crazy about using British/Commonwealth troops but did agree â€“ as noted, following the initial landing. I know that about 60 of the ships in the planned British/Commonwealth fleet were from the Royal Canadian Navy, and that there were 80,000 volunteers for service â€“ I think that 6th Canadian division was the unit designated to follow up the US landings
