Verisimilitude (or truthlikeness) is a philosophical concept that distinguishes between the relative and apparent (or seemingly so) truth and falsity of assertions and hypotheses. The problem of verisimilitude is the problem of articulating what it takes for one false theory to be closer to the truth than another false theory.. This problem was central to the philosophy of Karl Popper, largely ...

In this paper, we first develop the concepts of authentic leaders, authentic leadership, and authentic leader development. We suggest a definition of authentic leaders, which is based on the leader's self-concept: his or her self-knowledge, self-concept clarity, self-concordance, and person-role merger, and on the extent to which the leader's self-concept is expressed in his or her behavior.
