The Revolutions of 1848, known in some countries as the Spring of Nations, People's Spring, Springtime of the Peoples, or the Year of Revolution, were a series of political upheavals throughout Europe in 1848. It remains the most widespread revolutionary wave in European history.. The revolutions were essentially bourgeois revolutions and democratic and liberal in nature, with the aim of ...

Recent years have seen an increase in attacks against state representatives, notably the police, across Germany. Some perpetrators of those attacks have been found to represent an ideology that opposes the state and its representatives and, more specifically, considers the modern German state to be illegitimate.
