Western esotericism, also called esotericism, esoterism, and sometimes the Western mystery tradition, is a term under which scholars have categorised a wide range of loosely related ideas and movements which have developed within Western society. These ideas and currents are united by the fact that they are largely distinct both from orthodox Judeo-Christian religion and from Enlightenment ...

DAVID L. COOPER Commentary Revelation of Jesus Christ - 1972. Comment - I have scanned several sections of this 272 page work and found it to be a lucid, literalistic interpretation. It is well-reasoned and not sensationalistic and therefore is recommended to supplement your study of the great Revelation of Jesus Christ.

Preface. A thought conceived but not expressed is at best only an unborn child, not only without any influence on the world, but of whose very existence the world may be unconscious; but once brought forth it becomes part of the living working universe, to work there its appointed season, and possibly to leave its mark for good or evil on all successive time.
