Vital statistics is accumulated data gathered on live births, deaths, fetal deaths, marriages and divorces. The most common way of collecting information on these events is through civil registration, an administrative system used by governments to record vital events which occur in their populations. Efforts to improve the quality of vital statistics will therefore be closely related to the ...

Introduction After China's defeat in the Opium War, there was great concern about the superiority of the West and fierce debate about how to respond. In 1842 Wei Yuan (1794-1856), a scholar and adviser to the government, concluded that the West had beset China because of the West's more advanced military technology.

"Belling the Cat" is a fable also known under the titles "The Bell and the Cat" and "The Mice in Council". Although often attributed to Aesop, it was not recorded before the Middle Ages and has been confused with the quite different fable of Classical origin titled The Cat and the Mice. In the classificatory system established for the fables by B. E. Perry, it is numbered 613, which is reserved ...
